Good strategy. I think only one presentation will be good. Having them present at regular board, but not exec board will definitely work.

Hi David,

Had a good conversation with Becky today.

I think what we'll do is just have them present the project at the board meeting on the 11th. At the executive committee meeting, we can formally add it to the 4/11 board agenda, discuss the project and supporting the project.

We could have the present at the Ex Comm meeting, but not sure it's necessary.

How does that sound?

Thanks,  
 Aaron

Hi Aaron - The Lucas Museum is looking forward to meeting with your board on April 4th. I wanted to see if I could get just a little more information so we can be sure we are prepared. If its easier I could also give you a call. My cell phone is 916-607-0129 if you need anything.

Here are a few questions for you -

How many people are on your board? Do you have a list of the board members that you could share?

How long would you like Don's presentation? How long for Q&A?

Do you have a projector for a powerpoint presentation?

Thank you!! Becky

Aaron - See below. Lucas folks would like to contact you to ask if they can present first at Tuesday's meeting, since they need to be at City Hall for a 1:30 meeting with Councilmember Harris-Dawson? Let Becky or I know if this is possible.

Thanks David. Is there any way that Don can present first? We have a meeting with Councilmember Harris-Dawson at 130PM at City Hall. Do you think that would work timing-wise? Also is there someone I could contact directly at the BID to discuss presentation and other details? Thanks!

All - hope you all are having a great week. I would like to check about the possibility of placing the Lucas Museum of Narrative Art on the April 4th executive board and/or April 11th general board meeting.

Let me know what next steps are to confirm this.

David
